## WOODY LARGE STORAGE BASKET

\$1,540

### DESCRIPTION

Part of the Woody series, this storage basket is crafted using artisanal methods and the finest leather, which was dyed using vegetable pigments to create a soft and durable texture. The result is a deep orange glow that enriches the unique silhouette of this basket featuring hidden handles at the top. Used in the bedroom, bathroom, or study, this piece can stand alone to enrich any decor, or be paired with the other Woody basket of a different color and size.
