LIGHTING : TABLE LAMPS

Brass Brothers & Co.

WORMHOLE N°4 TABLE LAMP RED

\$860

DESCRIPTION

This delicate table lamp, supported by a black marble base, was inspired by a model from the 20th century and gets its name from the way it connects past and present universes with its design. Its double directional lighting capabilities allow it to illuminate both its hemispheres. Its beautiful nickel finish is complemented by the red exterior of its aluminum lampshade and the gold leaf gilding on the inside.
