XENIA SIDE TABLE

\$750

DESCRIPTION

An exercise in minimalist sophistication, this side table will suit an industrial- or contemporary-styled interior. The three-legged metal base with a vertical stem boasts a black finish and is strikingly placed asymmetrically under the lacquered wood top, also with a black finish. A versatile addition to a living room or study, this piece will also make a superb nightstand. Both the base and top can be customized in color and have the option of an ash or walnut top with a natural finish. Please contact the Concierge for options and pricing. A minimum of 2 pieces is required for the order.
