XIX BRONZE COFFEE TABLE BY KAMINI EZRALOW

\$7,080

DESCRIPTION

The structure of this exquisite coffee table in sycamore wood is stained in dark grey with a glossy finish, giving it a modern character. The dark finish strikingly contrasts with the bronze structure that runs horizontally behind the transparent glass top, hugging and connecting the four legs and creating a series of diamond shaped decorative patterns. Bronze details are also found around the glass top, giving a touch of classic charm to this magnificent piece. Designed by Kamini Ezralow.
