## XVIII BRONZE SIDE TABLE BY KAMINI EZRALOW

\$6,050

### DESCRIPTION

Elegant and modern, this side table will be a great addition to a contemporary living room, and can be paired with other pieces from the Bronze collection, for a more dramatic effect. Its top is in wood that was entirely covered in dark grey parchment with a high gloss finish that complements the two bronze legs and the bronze details under it. The legs display a minimalist style and reach over the top creating two handles that make this piece easy to move. Designed by Kamini Ezralow.
