## YELLOW FLOWER GARDEN RUG

\$5,940

### DESCRIPTION

This rug will instantly elevate the decor in any room it is placed. The piece is comfortable and soft to the touch and it features a dynamic ornate pattern. The "Pibiones" technique, achieved using three levels of yarn, give a three dimensional feeling to this functional yet decorative object. The various designs on this rug represent blooming flowers in a garden. The pure Sardinian wool used recalls the traditions of the region while maintaining a contemporary feel in its color palette consisting of ivory, gray and black.
