YIN BOOKCASE

\$5,050

DESCRIPTION

An inventive design by Jarrod Lim, this eye-catching bookcase will add intrigue to any room with its open frame of hand-forged solid iron with antique finish, bracing eight shelves of canaletto walnut. With its alternating planes that create an airy silhouette to display collectibles, photos, plants, and books, this captivating piece can also be used to stylishly break up a large loft space or functionally divide an interior. The wooden shelves can be customized in solid nodato oak, veneered canaletto walnut, veneered nodato oak, lacquered MDF, and crystal (clear or smoked).
