## YORK YELLOW DINING CHAIR

\$1,670

---

### DESCRIPTION

A modern approach to the traditional Windsor chair, this sophisticated piece features a solid wood frame supported by tapered legs in Canaletto walnut and a wide backrest with a stunning curved silhouette. The seat and back are padded in cold-foamed polyurethane and upholstered in a refined mustard yellow fabric with an ivory-colored geometric pattern, complete with details on the sides of the seat and the entire back in a solid yellow. This armchair will be a refined addition to a mid-century living room and add great charm to a private studio.
