YOU CELTIC RUG

\$8,910

DESCRIPTION

The ornate celtic lettering used on this round rug forming the word "you" takes inspiration from a 6th century Celtic manuscript, like the other rugs in the Book of Kells tapestry series. The whimsical style of the illustrated letters gives them a contemporary feel. A 90% wool and 10% silk blend was used in expert hand-knotting of this piece, that was made in India. This rug has a timeless allure that will fit into any decor and the size can be customized on request.
