LIGHTING : SCONCES & WALL LAMPS

Sigma L2

Z612 SCONCE

\$4,995

DESCRIPTION

This sconce will best complement a contemporary environment with its impressive structure composed of three natural brass discs arranged in a linear configuration from largest to smallest. The fabric-like texture given to the brass discs was achieved entirely by hand. A hand-faceted crystal element with a square shape anchors this piece to the wall. Contract and commercial certifications available upon request.
