LIGHTING : SCONCES & WALL LAMPS

Sigma L2

Z581 SCONCE

\$6,540

DESCRIPTION

This elegant sconce will add a sophisticated accent to a wall and can be placed in any room in the home. Its asymmetrical shape features a linear structure in golden brass with a brushed texture and two arms, in the same material, extending outwards in opposite directions, each one holding a light covered with a velvet shade, allowing for the light to be gently diffused. The shade is also available in silk.
