MURANO GLASS PARROT FLOOR LAMP

\$18,630

DESCRIPTION

This incredible floor lamp with three Macaw Parrots is entirely handmade by the master glass blower Zanetti on the island of Murano in Venice. Remarkably animated and colorful, these birds are made of solid glass and perch on a clear glass branch pedestal with green details in the leaves. The birds have small built-in rods that rest easily in a metal seat on the pedestal as the tree is in two sections for easy assembly. The lamp is 67 inches tall.
