Zanetti Murano

SMALL BLACK GLASS REARING HORSE

\$1,380

DESCRIPTION

This exceptionally animated rearing horse is entirely handmade by the master glass blower Zanetti on the island of Murano in Venice. The mane, tail and hooves have 24k gold details, and the shaded black glass of the body has subtle iridescent highlights. Make a dramatic arrangement by placing this sculpture next to a small "Sitting Horse," another piece by Zanetti. Each sculpture is unique, signed by the artist, and may vary slightly from the photo.
