Zanetti Murano

SMALL BLACK GLASS PRANCING HORSE

\$1,380

DESCRIPTION

This exceptionally animated small prancing horse is entirely handmade by the master glass blower Zanetti on the island of Murano in Venice. The mane, tail and hooves have 24k gold details, while the shaded black glass of the body features subtle iridescent highlights. This piece makes a dramatic statement in any room, and the glass sheen adds a touch of old world glamor. Each sculpture is unique, signed by the artist, and may vary slightly from the photo.
