Zanetti Murano

LARGE BLACK GLASS REARING HORSE

\$6,790

DESCRIPTION

This exceptionally animated large rearing horse is entirely handmade by the master glass blower Zanetti on the island of Murano in Venice. The mane, tail and hooves have 24k gold details, while the shaded black glass of the body features subtle iridescent highlights. Make a dramatic arrangement by placing this sculpture next to a large "Sitting Horse", another piece by Zanetti. Each sculpture is unique, signed by the artist, and may vary slightly from the photo.
