ZARAFA 2-DOOR DISPLAY CABINET WITH DRAWERS

\$14,130

DESCRIPTION

Marked by mid-century flair, this display cabinet will be a sophisticated touch to a traditional or modern living room. The frame is fashioned of tulipwood and plywood with an ebony veneer frame is defined by squared lines outlined by the distinctive striped pattern of the wood. Raised on four tapered feet of black-stained tulipwood, the cabinet has smoky glass panels on both doors and sides and inside is fitted with sensor-activated LED lights, three glass shelves and bottom drawers whose panels are decorated with the Zarafa pattern of walnut burl inlays that evoke the mantle of the giraffe.
