**ZARINA EGGPLANT/GOLD BABY ARMCHAIR BY CESARE CASSINA**

**\$2,810**

## DESCRIPTION

This iconic piece was first designed by Cesare Cassina for her daughter Adele when she was a little girl. The father made also the first armchair in this collection that boasts cozy silhouettes, a comfortable seating experience, and striking color combinations, ideal for a kid's room. In this case, the wooden frame of the piece is covered with a multi-density polyurethane foam upholstered with non removable cotton velvet in eggplant color for the seat and back and gold-yellow for the rest of the chair, with an elegant tufted pattern on the backrest.
