ZEBRA CHEST OF DRAWERS BY CARLO RAMPAZZI

\$17,570

DESCRIPTION

An eye-catching combination of classic shapes and modern materials, this chest of drawers is an exclusive design by Carlo Rampazzi that stands out for its glamorous aesthetic. The wooden frame has a Baroque-inspired rounded shape that creates an intriguing contrast with the black-and-white striped pattern, whose bold visual character is enhanced by the lacquered finish. The curved feet are made of plexiglass in the same pattern while the interior of the three drawers is made of red-tinted maple wood. This stand-out piece will find to be at home in a modern bedroom, entryway, or living room.
