ZEFIRO/P WALL LAMP

\$310

DESCRIPTION

This elegant wall lamp will be a splendid addition above an entryway mirror, or in a breakfast nook, or over an armchair in a study. Its timeless design and the satin gold finish of its steel body create a warm effect that will imbue with coziness any corner and room in a home. This lamp is class II IP20. The voltage is 220-240V/50Hz (max 12W LED E27) with one included WILBUR 4.5W LED dim 2000K 2310LM bulb (included.) Other available finishes are satin copper, satin nickel, and brushed bronze, please consult the Concierge for details. For 110V bulbs not included.
