ZELLIJ EARRING AND STUD IN PINK GOLD AND BLACK DIAMONDS

\$530

DESCRIPTION

A bold and sophisticated choice for a modern woman's look, this duo "stud + pendant earring" will make a statement on any occasion. Both pieces were made by hand of 925 silver with 18k pink gold plating and feature a hexagonal post with a brushed finish and an inlay decoration inspired by Moroccan art and adorned with a central black diamond (.09 total carats). The pendant on the earring is made by weaving the metal with strands of silk in grey and black colors. A small quartz detail in the back of the post adds a special touch to this set.
