ZELLIJ LOOSE NECKLACE IN YELLOW GOLD

\$590

DESCRIPTION

This unique necklace features a loose silhouette that rests on the neck and falls on the front for an effortless and relaxed look, or it can be tied around the neck like a delicate scarf. Its sophisticated shape is crafted entirely by hand of 925 silver with a 18k yellow gold plating. The two stunning hexagonal pendants with a brushed finish are adorned with geometric inlays, while the chain that connects them is made using the same metal as the pendant with yellow and blue silk strands woven in, for a unique texture.
