ZENO SKIS

\$4,320

DESCRIPTION

A unique design realized with prized materials using precision handcrafting and technical features, the high-performing Zeno skis satisfy even the most demanding skiers. The natural rubber core absorbs the vibrations, and, together with Titanal, an isotropic high-tech aluminum alloy that delivers smoothness, great stability for a powerful and precise ski safe even in extreme conditions. Decorated with tips in whitened olive tree wood and 24 carat gold, the Zeno skis are exclusively handmade, and come with Vist plates and bindings, and Zero poles.
