ZERO BOOKSHELF BY CARLO BALLABIO

\$5,355

---

### DESCRIPTION

This bookshelf, designed by Carlo Ballabio, features a unique shape that will complement a modern setting and will make a statement in a classic one. This piece gets its sinuous curved shape due to the ultra-flexible multi-layer wood used to craft it. Complete with three internal shelves, this piece will offer ample storage and it can be paired with the Uno bookshelf to create a dynamic effect.
