Morelato

ZERO STOOL

\$1,070

DESCRIPTION

This striking piece was designed by Franco Poli for Morelato and it is the harmonious result of the mix between design and ideal choice of material. The seat is made of lists of wood assembled by single joints and pins and features a curved surface that is also light. Ideal for any room, this piece will also be a stylish addition to a workplace and can be used alone or paired with others to create interesting patterns.
