ZEUS EXTENDABLE DINING TABLE BY GIULIANO AND GABRIELE CAPPELLETTI

\$7,960

DESCRIPTION

Part of the Zeus collection of tables by Giuliano and Gabriele Cappellini, this elegant piece is extendable. It was crafted entirely of solid Canaletto walnut and its structure comprises a base with crossing diagonal legs supporting a rectangular top. The aluminum mechanism contains an inner extension in wood with a Canaletto walnut veneer. The top is also available in white- black- or mocha-lacquered glass or Laminam, a new ceramic that looks like marble. The wood can also have a wenge finish. A larger version long 240 cm is also available. Please ask the Concierge about these options.
