## DESCRIPTION

Elevating tableware to art, this superb ceramic bowl will enliven any interior, where it can be used to bring a colorful and earthy accent to a living room or entryway console, dining or coffee table. A testament to traditional craftsmanship and modern artistic vision, this piece boasts a white background interrupted by bold, zigzagging lines spanning the width of the bowl. The colors go from blue to gray to a single intense black band enhanced by a clear glaze. Also decorated on the back, the colors can be customized to suit the customer's interior needs.
