Biagio Barile

ZIG ZAG INLAID TRAY

\$160

DESCRIPTION

Combining contemporary aesthetic and traditional craftsmanship, this stunning tray is part of a series of colorful and exquisite pieces that will imbue any interior with dynamic tension. The wooden structure is adorned with a surface that was inlaid by hand using a traditional technique exclusive of the town of Sorrento. The zig zag pattern that results is a one-of-a-kind decoration that will suit a modern and eclectic interior, both as a permanent base to display collectibles and as a tray to pass drinks and hors d'oeuvre during a special evening.
