**ZIGZAG MULTIPLE TRIVET BY LUCA MACI**

\$120

## DESCRIPTION

This elegant trivet is made up of two concentric rings and a central disk that can be used together or detached for an endless series of combinations. Versatile and practical, this set is inspired by the ringed top of ancient wood-burning cooking stoves and adorned with a herringbone motif of Sicilian textile tradition. The three pieces are made of solid beechwood, inlaid using laser, and finished by hand.
