\$1,530

DESCRIPTION

A perfect balance of modern and traditional, this mirror will make a splendid addition to any room and its timeless appeal is suitable in any decor. Its structure is made of reclaimed wood that was carved using traditional methods in a classic shape that was hand painted using a dark blue lacquer and adorned with four buttons that are painted with a burin in pure gold leaf. The warm, precious glow of the gold complements the modern color of the piece, which can be also used to frame a painting, or a print (provided the use of a 4 cm mount).
