ZOE ARMCHAIR

\$2,890

DESCRIPTION

Perfect in a study or in a living room alongside a coffee table, this armchair is sure to impress. The classic frame, made entirely of fir and poplar wood, is upholstered in a delicate navy-blue fabric with stunning vertical channel tufting. Gracefully sloping arms and the exposed wood legs are refined design details that add textural depth and color contrast to the work. In the interior, expanded polyurethane lining ensures long-lasting support and stylish comfort.
