ZOE CHAISE LONGUE

\$3,360

DESCRIPTION

Also available in a taller version, this chaise longue is part of the Zoe Collection, its elegant silhouette invites one to lounge and relax under the sun. Its structure in powder-coated aluminum rests on low feet and supports cushioned reclining backrest and large seat. The structure is adorned with a textured shell made of polyethylene fibers woven together and given a silver-dust finish for a shimmering effect. The beige outdoor fabric of the upholstery is waterproof and UV-resistant. The decorative pillow is available separately. For different cover colors, please ask the Concierge.
