ZONE SHAGREEN CONSOLE

\$5,030

DESCRIPTION

A stunning counterpart to the Victor Desk, this superb console can be placed in an entryway to welcome every guest in an elegant interior, or as an extra display or workspace by a sofa in the living room or study. The structure is timeless and sophisticated and crafted entirely of solid Macassar ebony. The top is adorned with shagreen in the same elegant hue of the ivory-colored metal accents decorating the tips of the feet and drawer handles.
