ZUAVA POCKET KNIFE WITH BRASS HANDLE

\$160

DESCRIPTION

This exquisite pocket knife is part of a series of pieces honoring the different Italian regions. It was entirely made by hand and it is composed of a stainless steel blade that folds into its handle in brass adorned with a series of elegant carved decorations depicting curved leaves that were hand engraved using a traditionally Italian engraver called bulino. This one-of-a-kind piece will make a statement whenever used.
