ZUAVA POCKET KNIFE WITH OX HORN HANDLE

\$190

DESCRIPTION

This exquisite pocket knife is part of a series of pieces honoring the various Italian regions. Its stainless steel blade has a distinctive shape and sharp tip and can fold into the striking handle that is entirely made in ox horn with a glossy finish. A metal accent with a brass finish adorns the top of the handle, while three nails dot its body. A functional piece, this knife is also magnificent to look at and was entirely hand made by an expert artisan.
